 - Excited about the mentorship channel.
 - Volunteers include Andrea Myhre, Paulina Kaiser, Christine Mosbaugh.
 - Concerns about the annual operating budget and limiting organizations that apply could be a problem.

 - Support for changing the criteria to include maybe or probably with the yes or no options. Suggestion to review criteria and bring back to the Committee. Focus not only on financial sustainability but replicability and spread as well as infrastructure building.
 - Create a “no wrong door” process for pilots and those applying for the SHARE Initiative.
- **Decision:** Request for Proposal (RFP) process over \$50,000 will stay the same as past years.
 - Will update materials and application for accessibility improvements.
 - Need support from the Committee to carry this out, please email Transformation if you would like to assist.
