Pilot Proposal Presentation Questions and Answers

See Packet of Pilot Proposals for Full Proposals and Presentation Slides

**Primary Care Physical Therapy Presented by Samaritan Lebanon Community Hospital
 Discussion Points**

- The physician refers the patients to this program.
- The pilot will pay for education for the therapists and the training for the program providers to educate them on the program.
- The funds will also go to member communication and education materials and resources.
- Unique member count for the pilot program is hard to capture at this time.

Pathfinder Behavioral Health Transformation Presented by Pathfinder Clubhouse

- Substance abuse and addiction support through Pathfinder Clubhouse includes a holistic approach and no one is turned away due to substance abuse and addiction. Pathfinder does not provide these services but connects members to resources if needed.
- Appreciated the integration of the approach including social determinants of health.
- Pathfinder creates the plan with the members, where members choose the way they utilize resources.

Culturally Responsive Peer Services Presented by Family Tree Relief Nursery

- After assessment, members will be appropriately served by the right services including inpatient stays and/or other resources.
- Investment in diversity, equity, and inclusion includes recruiting and hiring people that reflect the communities being served.
