**Pilot Proposal Presentation Questions and Answers**

*See Packet of Pilot Proposals for Full Proposals and Presentation Slides*

**Community Partnership Alliance: Carol Davies**

- There has been a positive and collaborative response from local agencies. The other agencies have commented about helping with the position being funded and have been very encouraging.
- The proposers have explored Unite Us/Connect Oregon. Service Point was only brought up because it has been so successful already in Eugene. Some agencies are already using this.

**Wellness Care Team: Shirley Byrd**

- Support from Linn County Health Services through SUD (substance abuse disorder) specialist. Would also be hiring a behavioral health specialist. The goal is to engage with a behavioral health provider through the school program in Lebanon.
- This would cover Lebanon through outreach. Through the shelter in Sweet Home, other supportive services will be provided.
- The medical school in Lebanon is starting a behavioral health program, hoping to access people from that program that would like to volunteer. Working on recruitment through advertisements.
- There would not be just one person, but a team.

**Hope Grows Here: Candace Russo**

- Focusing on more of the therapeutic benefits of gardening. The weekly gatherings will be a place to also share the disasters of weather or other mishaps. This will allow for a community feel and showing that they are not alone.
- There will also be a mobile kitchen will be able to help as well as they will not be able to immediately start a garden that provides for families.
- Transportation is something that is currently being talked about. The community gardens that have been secured already (there are not a lot of plots right now), such as the South Corvallis Garden, will be constructed this fall and there is free public transportation in that area. In Lebanon, although

transportation will not be provided, the proposer is planning focused outreach. Other outreach will be targeted around other gardens that they will have.

- There is not a time limit on how long after a cancer diagnosis to be eligible.

**Improving Access with THWs: Ailiah Schafer and Shawn Collins**

- Service navigators were working prior to the pandemic.
- Traditional Health Workers (THWs) will allow the proposer to build a sustainable structure, including more consistent relationships with patients and members.
